Residential Rebate Application Mulching Mower - Chipper - Compost Bin

The City of Woodland is offering a **\$100 rebate** to residents within the city limits who purchase a mulching mower and/or chipper and/or compost bin. Mulching mowers, chippers and compost bins provide a positive economical and environmental benefit by reducing yard waste in our streets and adding nutrients to our yards and gardens. **Mulching mowers, chippers or compost bins must be purchased between January 1, 2010 and June 30, 2011 to be eligible.** Funding for the program is limited; receipt of a rebate will depend on the availability of funds when your application is received. Rebate is for \$100 per item, or if the item costs less than \$100, then rebate is for the purchase price of the item. Maximum amount for this rebate is \$300. For confirmation of availability of rebates, please call 406-5100. Rebate applications are available at the address below or on the City website at www.cityofwoodland.org.
