

## **Burgers and Brew**

## Thursday, March 21, 2013 Woodland Community Center

Woodland Schools Foundation is preparing for our 3rd Annual Burgers and Brew fundraiser. Last year's event was extremely successful and we raised over \$15,000. Along with the funds raised at our other events we were able to assist with elementary noon-duty stipends and secondary school coaching stipends.

With the State cutting their budget by over \$10 million in the past three years, our schools need your help more than ever. This year we are facing even more reductions to student activities, academic counseling, security at our middle and high schools, and increased class sizes.

The Woodland Schools Foundation (WSF) is a non-profit organization formed by parents to provide financial support to public school students and teachers.

We are soliciting your support for Burgers and Brew on March 21, 2013. This casual, adults only evening will include a "Gourmet Burger" meal, beer, wine, silent auction of items made by students of the WJUSD and donations from community members, along with entertainment provided by the PHS Jazz Band. Tickets are available for \$25 (\$30 after March 19<sup>th</sup>). We hope you will support this worthy cause by sponsoring this event. Thank you for your consideration. Sincerely,
